SPECIAL NOTICES.

Tuesday we vote. The work of the next two days will decide whether Virginia is to be free, and those who have so far done nothing to help the cause should now at least and last give a helping hand. Those who have been at work all the time should now deliver their heaviest blows.

reports that he expects to carry it. Men to bet money upon the election of Jones are not to be found. We will carry Manches-ter by several hundred, and Chesterfield by nearly as much. The Coallition majority in Powhatan will be reduced, and we'll give them a pretty fight for Goochland. Major Warwick thinks he will certainly be elected to the Senate. Henrico is always a tight county, but we are fighting under favorable auspices, and with good prospects of victory; and so we are in King William.

ILLEGAL VOTERS. Our ward clubs have ascertained that : gally registered. Warrants have been issued for the arrest of many of these, and if they attempt to vote on Tuesday will be arrested and prosecuted to the extent of the law. As an illustration of the manner in which the negroes have been registered, it may be mentioned that many of those for whom warrants have been issued could not be found, day or night, at 10 Keidsville Light Infantry. the houses which they claimed as their place of residence.

The several precinct committees of Clay Ward will meet to-morrow (Monday) night performed their duties, the attention of the at headquarters of Clay-Ward Actives, No. men in ranks, the condition of the arms. 110 west Broad street, for unportant busi-

COMMISSIONERS OF ELECTION.

Robert L. Johnson, a colored man about forty years old, was found dead in the dock last night about 9 o'clock. It is supposed he fell into the water while drunk

FIERCE FIRE-FIGHTING.

\$30,000-Seven Mules Burned to Death.

Yesterday evening at 6:40 o'clock smoke was seen issuing from the building on the strip of land between the dock and the river, at the foot of Seventeenth street just to the right of the old draw-bridge, occupied by Mr. Warner Moore as a lime and cement warehouse and plaster, bark, and summe, will a summe, which is a cement warehouse and plaster, bark, and sumac mill. Station 2 sounded the first alarm, and a part of the Fire Brigade answered promptly the first summons and was soon on the ground. The condition

Ohio to the Front.

The Democrats are the people who wish peace here. They do not want to give anybody any provocation or excuse for closing the polls for a time, as was done last year at the Westham House, in Clay Ward. Upon Major Poe and his men devolve; the duty of preserving the peace. If he needs more force than he has now on hand it is the duty of the Mayor and Council to furnish it. It will be miserably false ecaponary to hesitate to make the needed expenditure in this direction.

SALONN TO CLOSE.

The law requires that all places where higher is sold shall be closed from sundown of the 5th to sunrise of the city to do his duty on the 6th of November. We carnestly request that lis said that our saloon-keepers generally will observe this requirement this year more rigorously than it it has ever been before, being aware that in the present temper of the people a little liquor, gotten by either excitable whites or blacks, may cause a deal of trouble—bloodshed, perbord.

It is therefore with pleasure that we hear that on election-day the best of the saloen-keepers will close entirely—shut their back doors as closely as their front doors, and upon no pretence let any one have become.

The Democratic precinct committeemen will wear white rosettes. They will be at the polis to give information and help to all our voters. They may at any time be appealed to by our folks.

Wickham had a boom in Hanover from the start. He will carry this county by a large majority. The contest in Caroline is closer, but the Democratic superintendent reports that the expects to carry it. Ment to be the money upon the election of Jones are not to be found. We will carry analyses are the found. The product of the propers of the degradation in registration of the start. He will carry this county by a large majority. The contest in Caroline is closer, but the Democratic superintendent reports that the expects to carry it. Ment to be found. We will carry manches the by several hundred, and Chesterfield by nearly as made, The Cantilla, was feared that the Rich interes heat inside. At me timely was feared that the Rich mond and Alleghany dock-connection trees the traction of the enthusiasm under the would take fire, or at least one of two bents would go, but the company kept a force of men on the trestle with buckets of men on the trestle with the degradation in volume and prepared to by our folks.

Yesterday the disputed registration cases at the people were large, and later as the people were in the expectation of the ground, but fortunately did not sustain serious in the people were in the capture of the ground prepared to elicit the admiration of nearly every one who entered the Art Gallery.

When the would take fire, or at least one or two did not the Bucket on the trestle with buckets of the ground go, but the company kept a force of men on the trestle with buckets of the ground go, the trest that t Stalwart Republican party.

The Rank of the Companies in the Competitive Drill.

The following table, made from the judges' report, shows the standing of the competing companies in the drill at the Fair Thursday:

the building was saved, but the stables and the other part were destroyed, together with all the sumac, machinery, bark, and plaster. In the eastern part of the house Mr. S. P. Lathrop had an office. He removed his furniture, and sustained but very little loss. There were seven very fine mules in Mr. Moore's stables, and these were all burned to death. One managed to force itself out, but fell near by.

aged to force itself out, but fell near by, and was dispatched in order to cut short its sufferings, which were dreadful.

The building was a very large one, fronting about 150 feet on the dock and ruming both large to the dock and ruming both large to the dock and ruming both large to the state Fair. They are Virginia raised, and weigh 1,760, 2,039, and 2,275 pounds respectively. The latter took first premium.

Look out for Coalition repeaters. running back about 150 feet. It was two stories high, and built of brick, but was not a very costly structure. The stables On most reasonable terms, by the month were situated in the rear, and consisted of or quarter, at the ware-rooms of Ryland & a frame shed. Here the fire first broke out, but whether its origin was due to incendiarism or was the result of accident could not be determined last night. Mr. Moore estimated his loss at about \$30,000, including stock and machinery. This, including building, was insured for the sutn of \$15,500 in the following companies, repre-

sented here by Mr. J. B. Moore-to wit:
